INSTALL OUR SUPPORT APP TODAY!!

LINK ABOVE!

1. Add To Home Screen

Add ET Support to your home screen to save it for easy access, so you won't have to open the link every time.

2. Notifications

Allow notifications to stay updated whenever we release new tutorial videos designed to help you get the most out of our platform.

3. App Short Cut

After adding the app to your home screen and enabling notifications, return to your home screen—ET Support will now appear as an app icon, ready to launch anytime!

ET Support
Houses all Tutorials for ExpressTime, FAQs, and even online submission for support!

ET Support
